BS Chemistry Degree

The first course taken in the freshman year depends on the student's math and chemistry background.

Chem 110 (only for students who do not qualify for Chem 115) → Chem 115

OR

Chem 117 (FL only) → Chem 116 (Chem 115)

AND

Chem 215 (FL only) (Chem 116) → Chem 310 (SP only) (Chem 215, 346)

Math 155, 156
Physics 111, 112

Chem 233, 235 (Chem 116 or 118) → Chem 313 (FL only) (Chem 310)

Chem 234, 236 (Chem 233, 235) → Chem 346 (FL only) (Chem 234, Math 156, and Physics 112)

Chem 335 (FL only) (Chem 234, 236)

Ag. Biochem 410 (normally taken after the completion of organic chemistry)

Math 251 (Math 156) → Chem 348 (SP only) (Chem 346, Math 251)

Chem 422 (FL only) (Chem 346, 348)

Senior Capstone Chem 401 (FL only) (Chem 234, 346)

Chem 349 (FL only) (Chem 348) → Chem 423 (SP only) (Chem 422)

Chem 403 (SP only) (Chem 401)
