

59th Friend E. Clark Lecture Series

sponsored by

Phi Lambda Upsilon Chemistry Honorary and
C. Eugene Bennett Department of Chemistry

presents

Christopher "Kit" Cummins, Ph.D
Henry Dreyfus Professor of Chemistry
Massachusetts Institute of Technology

"New Chemistry for Phosphorus Sustainability"
Monday, March 20th, 2023, 4:30 p.m., Clark Hall 208

And

**"Synthons for Reactive Intermediates and Group Transfer
Reaction: Phosphinidenes and PN"**
Tuesday, March 21st, 2023, 4:30 p.m., Clark Hall 208
