

57th Friend E. Clark Lecture Series

sponsored by

Phi Lambda Upsilon Chemistry Honorary and
C. Eugene Bennett Department of Chemistry

presents

Prof. Jin-Quan Yu

Frank and Bertha Hupp Professor of Chemistry
The Scripps Research Institute

“Editing Molecules with Precision through C–H Activation”

March 7th, 2018, 6:15 p.m., Clark Hall 208

And

“Enantioselective and Remote C–H Activation Reactions”

March 8th, 2018, 4:30 p.m., Clark Hall 208
