

# Innovations in the Sustainable Supply Chain

## Tony Rossi

*Executive Vice President, Business Development  
TerraCycle and Loop*

With the public awareness of climate change picking up momentum and solutions becoming a bigger regulatory and consumer priority, Loop is making real change by partnering with major corporations around the world to develop more circular supply chains and reduce environmental impact.

Tony Rossi, EVP, Business Development of TerraCycle and Loop shares his experience launching and growing an initiative of this magnitude and what the cultural shift towards reusability means for governments, businesses, and the larger population.
